Board of Directors Corner

Dear residents,

We are appending a photo of the work that was expeditiously completed in March on the Tower roofs. It includes a guard rail for safety when repair work or window washing require access to the roof.

And we would like to remind everyone that every Tuesday the compostable waste is picked up by the city at the curb on Echo Dr. While the bin is out, please do NOT place your garbage on the floor. It will attract wildlife!

We would also like to thank Jean Roy and the University of Ottawa students for the lovely concerts.

Best wishes, your Board members

Shopping cart left in the accessibility lift

It has been noticed that an empty shopping cart was recently left in the Tower accessibility lift. This is inconvenient for people needing access to the lift. Shopping carts should never be left in the lift or block this lift.

March 19th Presentation about the Ramadan

At one of the recent Wednesday “Meet and Learn” get together, one of our residents, Angela Williams who spent many years living in Middle East countries, shared with us a very informative presentation about Ramadan and its traditions.

This year’s Ramadan ran between Feb. 28 and March 30.
